AUTOMATION OF CIVIL COURTS ACCOUNT MANAGEMENT SYSTEM

AUTOMATION OF CIVIL COURTS ACCOUNT MANAGEMENT SYSTEM

BACKGROUND & OBJECTIVE

- The Civil Courts Accounts Management System was developed within the District Judiciary's CMS.
- It streamlines revenue deposits made through Challan Form No. 32-A.
- The system prevents misappropriation, embezzlement, and mishandling of government funds.
- Integration with the National Bank of Pakistan (NBP) enables real-time verification and reconciliation.
- User-role-based security ensures controlled access and accountability at every operational level.

IMPACT, OUTCOME AND BENEFITS

- A comprehensive and secure framework for court-related financial transactions was introduced.
- Each Challan Form No. 32-A is system-generated with a unique number and QR Code.
- Online double verification of deposits ensures accuracy in all financial transactions.
- A fully digital, secure, and auditable civil court financial management system is operational.
- All challan deposits are tracked and verified in real time across connected institutions.
- Fraudulent or duplicate challans have been effectively eliminated.
- Enhanced financial integrity and prevention of misappropriation of court funds.
- Improved operational efficiency through automated and verified financial workflows.

PROJECT DURATION

- 01.09.2025 to 31.10.2025
