ENVIRONMENTAL LAW BY PROF. SATISH C. SHASTRI, EASTERN BOOK COMPANY, 2018.

The present sixth edition of this greatly admired publication on the subject by Prof. S.C. Shastri has been thoroughly revised and updated with all statutory and case law developments. The author has discussed the distinctive shift in the approach of the courts to achieve the goal of environmental justice i.e. from anthropocentric approach to eco-centric approach. The focus of the courts has shifted from humans to the protection and preservation of ecology or the present species of flora and fauna, as it is necessary for the existence of mankind. The evolving concept of "corporate social responsibility" in relation to environmental justice has also been provided due place in this work.

THE SEARCH FOR ENVIRONMENTAL JUSTICE EDITED BY PAUL MARTIN, et al., EDWARD ELGAR PUBLISHING, 2017.

The term 'environmental justice' has different meanings to different scholars and is applied in many different contexts. This thoughtful book provides an overview of the major developments in the theory and practice of 'environmental justice'. It illustrates the direction of the evolution of rights of nature and exposes the diverse meanings and practical uses of the concept of environmental justice in different jurisdictions, and their implications for the law, society and the environment.

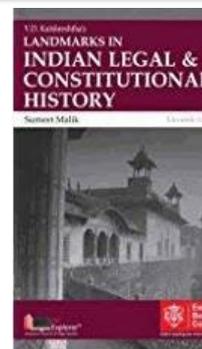

LANDMARKS IN INDIAN LEGAL & CONSTITUTIONAL HISTORY BY SUMEET MALIK, EASTERN BOOK COMPANY, 2017.

The new 11th edition of this classic and popular work is a comprehensive treatise on Legal and Constitutional History of India, and has been thoroughly revised and updated. An analytical survey of the recent legal developments and a lucid account of the important phases in the development of legal system in India are the highlights of the book. Some new topics have been included i.e. Recent amendments to the Constitution of India, Criminal Law (Amendment) Act, 2013, Official language of the States, Union and the Courts, Reorganisation of States.

RESEARCH HANDBOOK ON EU ADMINISTRATIVE LAW EDITED BY CAROL HARLOW, AIVI LEINO, et al., EDWARD ELGAR PUBLISHING, 2017.

This Handbook uses thematic and interdisciplinary approach to discuss various governance structures of the EU, focusing in particular on how these are administered. Key chapters by leading experts across the field, engage with important ongoing debates in the field of EU administrative law, focusing on areas of topical interest such as financial markets, the growing security state and problematic common asylum procedures. The book provides a summary of what we know, don't know and ought to know about EU administrative law.

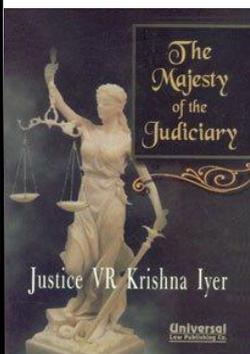

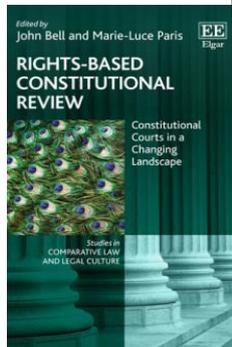

**RIGHTS-BASED
CONSTITUTIONAL REVIEW**
EDITED BY JOHN BELL, MARIE-
LUCE PARIS,
EDWARD ELGAR PUBLISHING,
2016.

Constitutional review has become an essential feature of modern liberal democratic constitutionalism. In particular, constitutional review in the context of rights litigation has proved to be most challenging for the courts. By offering in-depth analyses on changes affecting constitutional design and constitutional adjudication, this book seeks to provide heightened understanding of the constitutional and political responses to the issue of adaptability and endurance of rights-based constitutional review. Providing structured analyses the editors combine studies of common law and civil law jurisdictions, centralized and decentralized systems of constitutional review, and large and small jurisdictions.
